

DOMES AND DISHES

- Place several cones randomly about the grid.
- Half the cones should be placed the right way up ('Domes') with the other half upside down ('Dishes')
- Divide the players into 2 teams.
- Players then run around the grid with team 1 turning 'Domes' into 'Dishes' and team 2 turning 'Dishes' into 'Domes'.
- Continue for approx 30 seconds.
- The team with the most cones turned at the end wins.
